3ie Degré

APPELLATION	Santa Barbara County, CA
ALCOHOL	14.8%
VINTAGE	2009
BLEND	75% Syrah 15% Grenache 10% Mourvedre

DESCRIPTION

The 2009 is a knockout of a wine! It has a strong ruby color, and notes of camphor, red fruits, black fruits, wild berries, forest floor, and a hint of orange marmalade. The wine has good structure by way of tannin and refreshing acidity, and should age gracefully for another 5-7 years.

Thompkin WITH

- Leg of lamb
- Prime rib
- Porterhouse steak

Wine Advocate Issue 177

"3ie Degré possesses a dark ruby color as well as an attractive perfume of roasted provencal herbs, and sweet strawberries, cherries and currants. Medium-bodied, soft and silky, this hedonistic red should be enjoyed over the next 3-4 years." **(90 points)**
